MCU on 2shot on Krause & Talker

K: " Sonar 1st !"

T: "Sonar report contact bearing 160, range 1700 yards, foward lookouts report periscope dissappeared gun officer reports no hits visable

K: "Deep setting Mr. Nourse... Mr. Nystrom I have the conn. right smartly to course 180

12

CU on Takler  
 " Sonar reports  
 contact 160 range,  
 1500 Yards

13

OTS on Talker onto Krause  
 Krause: "Helmsman right  
 sharply another 10 degrees

14

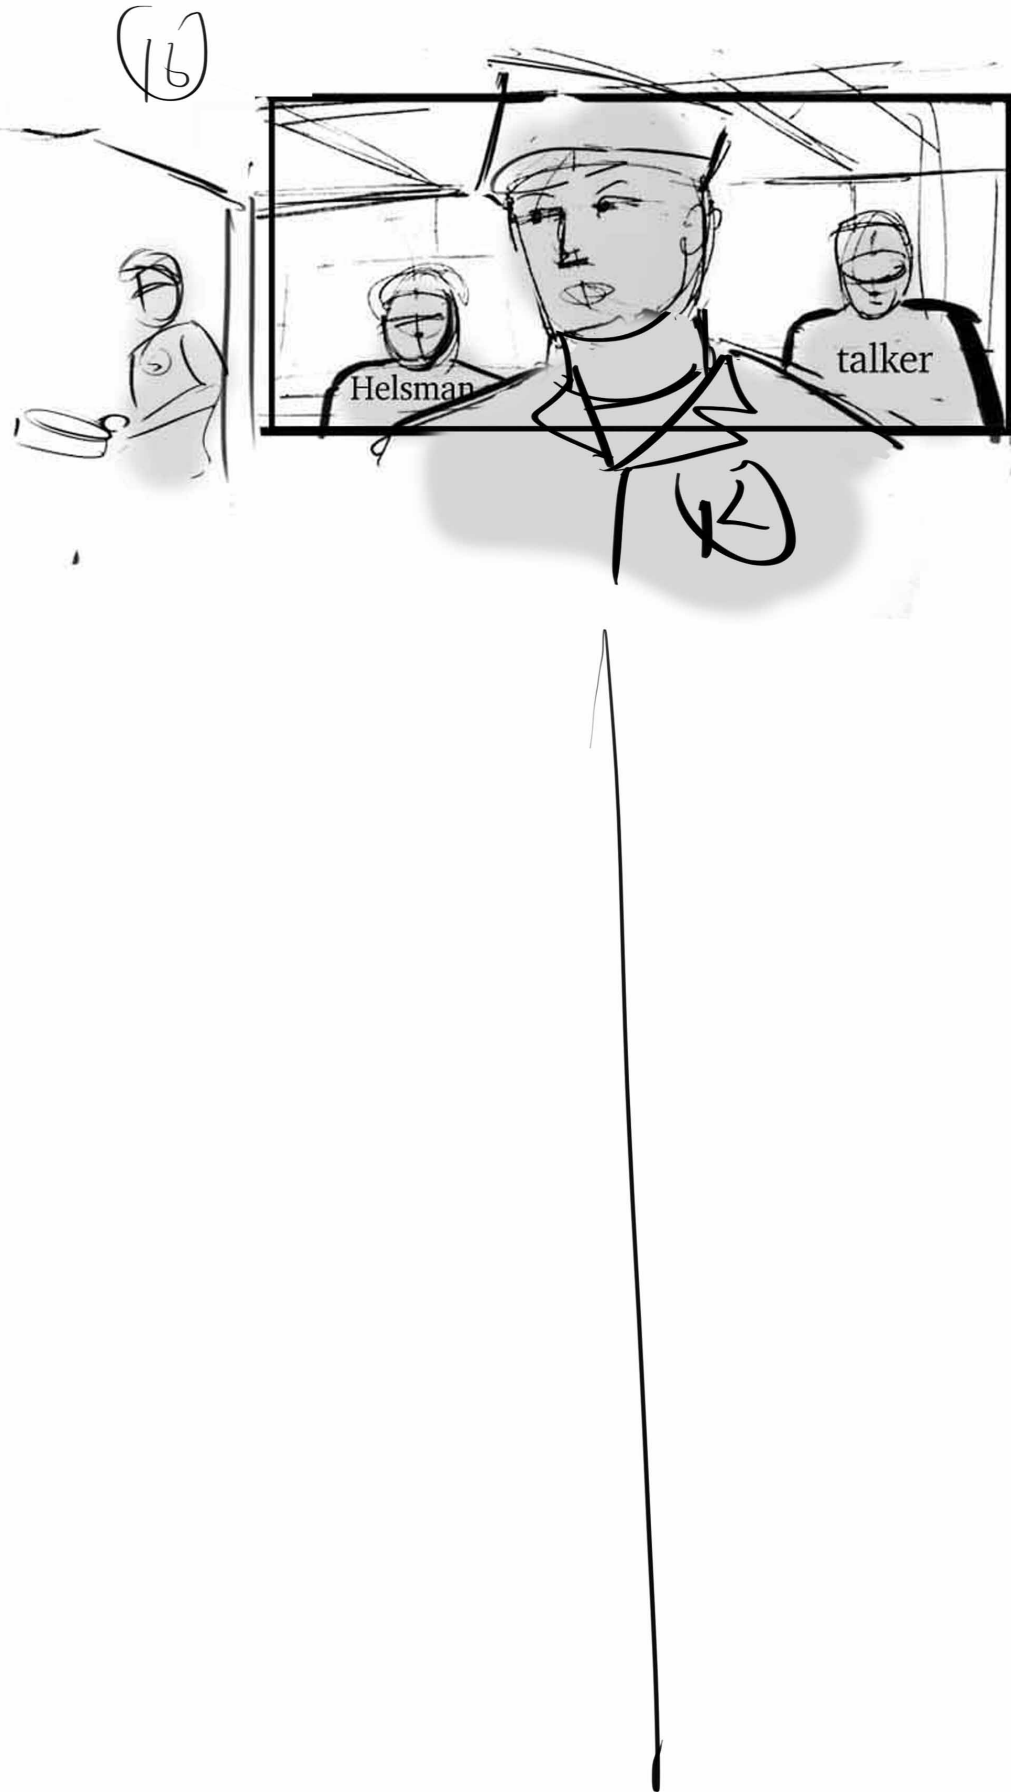

Rev OTS on KRAUSE  
 onto Helmsmen  
 Helmsmen: "Right sharply  
 to course 190.  
 aye- aye, sir "

15

Cu on KRAUSE  
 " Captain to Sonar  
 anyDopler effect  
 on the target?"

2 Shot on Talker & Krause

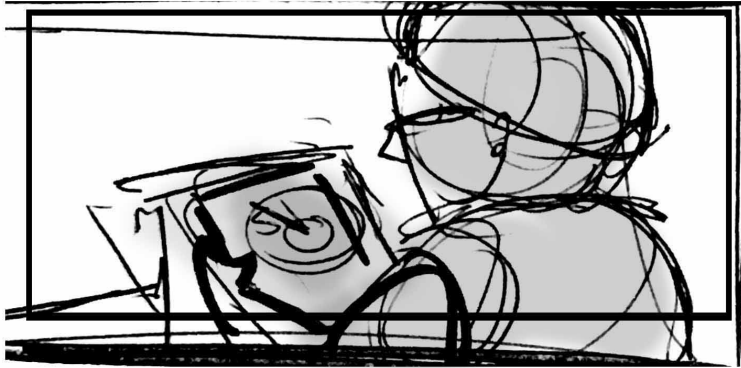

T: " Sonar reports No  
dopler contact  
bearing 159 range,  
1450 yards

K: "Left standard Rudder!"  
steer course 175, \*(TBS)  
Greyhound to dicky,  
The contact is circling.  
I'm turning back to Port.

17
